UNIQUE... Rev. and Mrs. Torben Olsen show cameramen built-in lighted turn indicator on their English-built Ford in which they are traversing the country prior to leaving for duty in occupied Germany. The former rector of the St. Andrew's Episcopal Church here visited members of his Torrance congregation last week. (Herald photo).

FORMER PASTOR HERE ENROUTE TO GERMANY

Looking more like a rough and ready commando than a chaplain, Lt. Torben Olsen, former rector of the St. Andrew's Episcopal Church, stopped in Torrance last week on a country-wide sweep before leaving for duty with the U. S. Army in Germany.

Tanned and showing signs of eating good army food and wearing a "flat top" crew cut, the pastor was accompanied by Mrs. Olsen. They were the guests of Mr. and Mrs. Herman Mitchell of 1317 Acacia avenue.

The Olsens were at the wheel of their "Widdo Wabbit," a four-cylinder English-built Ford. They made the trip from Ft. Bragg, North Carolina to Torrance in six and a half days spending, according to the Army chaplain, only \$24 for gas and oil. He averages approximately 38 miles per gallon with his imported auto.

The pastor and his wife left May 8 for Oakland and then to the east coast for embarkation for Bremerhaven, Germany.

Nurse Here Nine Years Retires

Retiring last week after nine years at Memorial Hospital was Mrs. Mary J. Osborne, general duty nurse.

A long-time resident of Torrance, Mrs. Osborne left the city in 1933 with her late husband to make a home elsewhere. Following her husband's death, she returned to Torrance where she has since remained.

Future plans of the retiring nurse are hazy, she told the Herald yesterday. She is going to San Francisco for a while, but further plans are indefinite, she said.

The Olsens were always active in the Baptist Church here, she said, and Mrs. Osborne has continued to work in the church during the past nine years.

PRINCIPAL ACCEPTS CULVER CITY POST

To enable him to continue studying for his doctor's degree, William H. Clinkenbeard, principal of Torrance Elementary School has accepted the principalship of a new elementary school in Culver City, he said this week.

The new school will be located about 15 minutes' drive from U.C.L.A. where I am studying for a doctor's degree in education," the local principal said.

"The saving in driving time plus the fact the new school will have fewer teachers than Torrance Elementary School will allow me to devote more time to my studies. Next year with 27 teachers and double sessions my duties as principal of Torrance Elementary would require most of my off-duty hours," Clinkenbeard said.

"We regret the loss of Mr.

He plans to take his foreign-made Ford to gasoline-starved Germany," the former National Guard chaplain said.

Signups For Y Camps Announced

May 15 to 20 has been designated by the Torrance YMCA as "Sign up Week" for camp-boys ages 9 to 14 can get application cards and camp folders from the YMCA office, 1339 Post avenue.

The annual Y Mountain Camp will be held June 26 to July 3 at Camp Little Green Valley, located in the San Bernardino mountains, midway between Big Bear and Arrowhead lakes at an altitude of 7400 feet.

Under the leadership of L. Milton Isbell, YMCA secretary, more than 60 boys and leaders will leave by bus on the morning of June 26 for 8 days. The camping program will consist of craft, sports, hiking, nature study and swimming. The highlight of a day at camp is the evening campfire where the boys participate in songs, stunts and listen to adventure stories.

All boys going to camp are urged to sign up during the week. According to Milton Isbell, a limited number can be taken, and reservations will be taken on a first come basis.

Rotary Prepares For Golf Tourney

Rotary club's golf committee is again in action, it was announced last week.

The committee recommends that golfers get in shape for the Annual Golf tourney which will be announced soon.

Clinkenbeard and accepted his resignation with regret," Dr. J. Henrich Hull, superintendent of schools said.

Clinkenbeard expects to sell his home at 1015 Acacia avenue and move to Culver City this summer.

No successor has been chosen at this date, according to Dr. Hull.

Both Clinkenbeard and Dr. Hull stated that contrary to rumors the resignation originated with the principal.
